FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Corrections** and the **Department of Public Safety's Missouri Highway Patrol** each assume no fiscal impact to their respective agencies from this proposal.

Oversight notes that the Department of Corrections and the Department of Public Safety's Missouri Highway Patrol each have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight notes the bill requires individuals being monitored to pay all costs; however, it is unclear who will pay the costs for monitoring if the individual is unable to and could result in unanticipated costs to the state or other political subdivisions. Oversight will reflect a zero impact on the fiscal note.

Officials at the **Monroe County Assessor's Office** assume no fiscal impact from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other counties, St. Louis City, and local law enforcement agencies were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to www.legislativeoversight.mo.gov.

Oversight notes §589.414.4 specifically states that the person required to be electronically monitored while relocating shall be responsible for all costs associated with the electronic monitoring device. Therefore, Oversight assumes no direct fiscal impact from this proposal to the state or political subdivisions thereof.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
